19. Authorising the Board of Directors to decide on the acquisition of the company's own shares and/or accepting them as pledge

The Board of Directors proposes that the General Meeting authorise the Board of Directors to decide on the acquisition of the Company's own shares by using funds included in the Company's non-restricted equity and/or accepting them as pledge on the following terms and conditions:

The shares can be acquired for the purpose of developing the Company's capital structure, for use in the financing or implementing of company acquisitions and other arrangements, and for realising share-based incentive systems or otherwise to be assigned further or to be annulled.

Shares can be acquired and/or accepted as pledge in one or more lots, a maximum of 6,250,000 shares at a time; a maximum of 5,000,000 of them can be free shares and a maximum of 1,250,000 can be restricted shares. The shares must be acquired or accepted as pledge so that the total number of shares in the Company's or its subsidiary's possession or held as a pledge by them will not exceed ten (10) per cent of all the Company's shares after the acquisition or accepting as pledge. The Board of Directors is entitled to acquire Company's own shares in a proportion other than according to the proportions of the different types of shares and to decide on the order in which the shares are acquired.

The acquisition of the shares will be implemented on the basis of the market price formed in the public trading organised by the Nasdaq Helsinki Ltd. (Stock Exchange) so that the share-specific minimum price of the shares to be acquired during the validity of the authorisation is the lowest and similarly, the maximum price is the highest market price quoted in public trading. The purchase price of the shares shall be paid to the sellers within a payment term determined in accordance with the rules of the Stock Exchange and Euroclear Finland Ltd.

As the acquisition is implemented in public trading, the shares are acquired in a proportion other than according to the proportions of the shares in the shareholders' possession.

The acquisition of shares decreases the distributable non-restricted equity of the Company.

The Board of Directors shall decide on other terms and conditions related to the acquisition of the Company's own shares and accepting them as pledge.

The authorisation will be valid until 30 April 2017.

Furthermore, the Board of Directors proposes that the authorisation concerning the acquisition of the Company's own shares and/or accepting them as pledge granted by the Annual General Meeting on 26 March 2015 ceases to be in force as from 23 March 2016.

20. Authorising the Board of Directors to decide on share issues

The Board of Directors proposes that the General Meeting authorise the Board of Directors to decide on share issues (1) by assigning a total of no more than 14,200,000 free shares that are in the Company's possession and a total of no more than 1,460,000 restricted shares that are in the Company's possession and (2) by giving out a total of no more than 20,000,000 new free shares.

The Board of Directors is authorised to decide to whom and in what order the Company's own shares are assigned and new shares given. Shares can be assigned and given in one or more instalments.

The Board of Directors can decide on the assignment of the Company's own shares and giving new shares otherwise than in a proportion where the shareholders have a primary right to the Company's shares, if there exists weighty financial reason for a deviation from the Company's point of view. Development of the Company's capital structure, financing or implementation of company acquisitions or other arrangements and realisation of share-based incentive systems can be considered weighty financial reasons from the Company's point of view.

The Board of Directors can also decide on assigning the Company's own shares in public trading organised by the Nasdaq Helsinki Ltd. (Stock Exchange) for raising funds for the financing of investments and possible company acquisitions.

The shares can also be assigned against a compensation other than money, against set-off or otherwise on certain terms and conditions.

The Board of Directors is entitled to decide on other terms and conditions of a share issue in the same way as the General Meeting could decide thereon.

The authorisation will be in force until the Annual General Meeting of 2021, however, no longer than five (5) years from the closing of the General Meeting of 23 March 2016.

Furthermore, the Board of Directors proposes that the authorisations to decide on share issues granted to the Board of Directors by the Annual General Meeting on 26 March 2015 cease to be in force as from 23 March 2016.
