

Raisio plc Annual General Meeting 9 April 2024 - Registration /Advance voting form

With this form, I/we authorize Raisio plc (the "**Company**") and Euroclear Finland Oy ("**Euroclear**"), the advance voting service provider for Raisio plc's Annual General Meeting 2024, to register my/our attendance and votes with the shares I/we own/represent in certain items on the agenda of the Company's Annual General Meeting 2024.

- I/we understand that registering/voting in advance by submitting this form requires that the shareholder has at least one valid Finnish book-entry account. The number of advance votes is confirmed on the Finnish record date of the Annual General Meeting (26 March 2024) based on the holding in the book-entry account.
- I/we understand that if I/we register and give advance votes as a representative of an entity (incl. estate), the legal representative of the entity or a person authorized by the entity must provide necessary documents to prove the right to represent the entity (e.g. trade register extract or board resolution). Documents are requested to be attached to this advance voting form. If the documents are not submitted during the advance voting period or they are otherwise incomplete, the shares of the entity will not be included as shares represented at the Annual General Meeting.
- The personal information provided on this form is used to identify a shareholder through a comparison to information in the book-entry system, as well as to confirm shareholdings on the record date of the Annual General Meeting. The personal information will be stored in Euroclear Finland's database for General Meetings for the Company's use, and information will not be used for any other purposes or for any other General Meetings.

Voting instructions

- The option **"For/Yes"** means that the shareholder is in favour of approving the proposal.
- The option **"Against/No"** means that the shareholder objects to the acceptance of the proposal. By voting in advance, it is not possible to submit a counterproposal to the meeting or demand a voting.
- The option **"Abstain"** means giving an empty vote and shares are considered to be represented in the meeting, which is meaningful in resolutions requiring qualified majority (e.g. agenda items 21 and 22). In qualified majority items all shares represented at the Meeting are taken into account, also those who left an empty vote. Thus, if "Abstain" is selected, it affects the voting result. Shareholders should be aware of this, especially if giving a vote against is not their intention.
- A shareholder cannot make counterproposals to any items on the agenda using this advance voting form. Therefore, a shareholder cannot vote **"Against/No"** for items 13, 14, 16, 17, 19 and 20 of the agenda, where opposing the proposed resolution would require making a counterproposal.
- In case
 - no option has been crossed in the agenda below, or
 - if more than one option has been crossed in the same agenda item, or
 - if other text or markings other than a cross (X) have been used to indicate an advance vote or
 - other markings to option "Against/No" have been made in items that would require a counterproposal,

the item will be marked "No action" when Euroclear registers the votes. This means that shareholder's shares are not taken into consideration in the item in question. Shareholder's shares are not considered as shares represented at the meeting and the votes are not counted as cast votes with regard to the item in question.

- It is recommended that a Finnish book-entry account holder votes in advance electronically in the address <https://www.raisio.com/en/investors/corporate-governance/annual-general-meeting/>. In a situation where the Finnish book-entry account holder has voted in advance both electronically and via this advance voting form, the electronic advance vote remains valid.
